

## **VIÑA SUTIL HOSTED THE INTERNATIONAL JURY OF THE CATAD'OR WINE AWARDS CONTEST**

In its 23<sup>rd</sup> year, Catad'Or is the only Chilean wine competition offering local wineries the possibility to showcase their best still and sparkling wines. Due to its recognized prestige, producers from Argentina, Brazil and the Old World also participated in this challenge.

18 members of the international jury made up of winemakers and specialized journalists from Canada, the United States, China, the United Kingdom, Brazil and Argentina visited our winery in the Colchagua Valley where, in an unprecedented event, the jury had the opportunity to taste wines from small valley producers.

The event concluded with a dinner offered by Juan Sutil and winemaker Camilo Viani, in the Hotel La Playa restaurant where visitors tasted a selection of our best wines accompanied by specially prepared dishes.
